¹Reflects SNF admissions with at least 1 day of covered care under Medicare.

²The denominator used to calculate the average program payment per covered admission includes only those bills with Medicare reimbursement greater than zero.

³Swing-bed hospitals are not SNFs and are not included in the count of total SNFs; however, swing-bed hospital services are included in the total use and cost of Medicare SNF services.

NOTES: Medicare program payments represent fee-for-service only and exclude amounts paid for managed care services. Numbers may not add to totals because of rounding.
