

Hosp2010 SAS Files

PRDS_HOSP10_YRyyyy.sas7bdat - SAS file containing data for the fiscal year yyyy.

HOSP10_SAS_FILE_RECORD_LAYOUT.PDF - .pdf file with details about the field names, data types and worksheet source of each column.

HOSP10_SAS_FILE_ROLLUP_FIELDS_DEFINED.pdf - .pdf file defining which fields are summed into the SAS rollup columns.

The Office of the Actuary requested that HCRIS post the CMS internal Hosp10 SAS files to our website. CMS determined how to rollup the data fields on the A, B, C, D, E, G and S series of worksheet forms. Please refer to the Hosp10 Rollups Defined.pdf for the definition of the rolled up fields.

Please note: The methods of combining reported data as published in the 2552-96 forms have proven to be unreliable. Users are encouraged to develop their own methods of summarizing HCRIS data.
